Caleb McCartney

Pittsburgh, PA | (570) 299-1214 | contact@mcc-cal.com | mcc-cal.com/journalism

Photojournalist with a BFA in Photography, covering politics, public affairs, community news and breaking events in western Pennsylvania. Published by TribLive, the New York Post, Pittsburgh Magazine, Technical.ly and Spotlight PA. Delivers accurate AP-style captions, clean metadata and edited files on deadline.

PHOTOJOURNALISM EXPERIENCE

Freelance Photojournalist, The Butler Eagle and Cranberry Eagle, Butler County, PA
September 2026 to present
Cover high school football and community events for the Butler County newspapers, delivering edited, AP-style captioned photographs on deadline through the newsroom assignment system.

Freelance Photojournalist, TribLive, Pittsburgh, PA
March 2026 to present
Photograph news and community features in Sewickley and the surrounding area, delivering captioned photographs on deadline. Assignments include a healing service for a family affected by an ICE detention, a historic Sewickley Bridge photo story and a veterans memorial dedication.

Photographer, Next Generation Newsroom, Pittsburgh, PA
2025
Produced photographs for local government, housing and community reporting placed with partner outlets, including WESA and PublicSource (Downtown YWCA redevelopment), Pittsburgh Magazine and Pittsburgh Union Progress.

Photo Editor, The Globe, Point Park University, Pittsburgh, PA
January 2024 to February 2025
Directed photo assignments, editing and captioning for the student newspaper. Led visual coverage of the 2024 campaign (Trump, Harris, Obama, Vance and Clinton events) and the 2025 inauguration protests; nearly 50 stories and photographs, 2023 to 2025.

ADDITIONAL EXPERIENCE

Photographer, GradImages, Pittsburgh, PA
2022 to present
High-volume graduation and event photography for universities.

Director of Visual Storytelling, McCal Media, Pittsburgh, PA
2020 to present
Photo and web projects for clients; also builds web and Android software (TypeScript, React, Kotlin).

Darkroom Lab Manager, Point Park University
2023 to 2024
Ran film processing and darkroom operations.
